

Pursuant to Article 17 of EU Regulation 596/2014 of the European Parliament and the European Council on market abuse and Article 227 of the restated text of the Securities Market Act, approved by Legislative Royal Decree 4/2015 dated 23 October, GRUPO ECOENER, S.A. (the "**Company**") issues the following notification of

### **OTHER RELEVANT INFORMATION**

On 28 November 2022, the Company registered a green commercial paper issuance on Spain's Alternative Fixed Income Market (*Mercado Alternativo de Renta Fija* or *MARF* in Spanish) under the denomination "Green Commercial Paper Programme ECOENER 2022" (the "**Programme**"), with a maximum outstanding balance of fifty million euros (€50,000,000) and maturities of up to 24 months. The Supporting Issuance Information Document has been duly published on the MARF website.

The programme will run until 28 November 2023 and is intended to diversify the company's sources of financing. The target market for the commercial paper issued through the Programme shall be exclusively "professional clients" and "eligible counterparties", as stipulated in the restated text of the Securities Market Act approved by the Legislative Royal Decree dated 23 October.

BANCA MARCH, S.A. has been appointed as arranger, agent bank and dealer on the Programme.

La Coruña, 28 November 2022.

Grupo Ecoener, S.A.
