

GRUPO ECOENER, S.A.

Pursuant to Article 226 of the restated text of the Spanish Securities Market Act, enacted by Royal Legislative Decree 4/2015, of 23 October, Grupo Ecoener, S.A. ("**Ecoener**" or the "**Company**"), reports the following:

INSIDE INFORMATION.

EFD ECOENER FOTOVOLTAICA DOMINICANA, SRL, whose corporate activity is the generation and sale of 100% renewable energy in the Dominican Republic and of which the sole shareholder is Ecoener, and the state-owned Dominican company EMPRESA DISTRIBUIDORA DE ELECTRICIDAD DEL ESTE S.A. (EDEESTE) have today signed two long-term power purchase agreements (PPAs) with supply to commence on 1 December 2023, for the solar photovoltaic power plants Cumayasa 1 and Cumayasa 2, located in the municipality of Villahermosa, in the province of La Romana.

For 15 years, EFD ECOENER FOTOVOLTAICA DOMINICANA SRL, which owns the two power plants (with installed capacity of 60.03 MWp and 36.03 MWp, respectively) will supply 100% of the energy generated to EDEESTE (total annual production of 192,000 MWh).

These PPAs will have an approximate annual financial volume of SEVENTEEN MILLION DOLLARS.

A Coruña, 24 February 2023.
